General Information

THE JOURNAL OF GERONTOLOGY is a quarterly magazine published at 10 N. Howard St., Baltimore 1, Maryland, and is owned and controlled by the Gerontological Society, Inc., New York, with editorial offices at 660 South Kingshighway Blvd., St. Louis 10, Missouri. It publishes original manuscripts dealing with or bearing on the problems of aging from the fields of natural and social sciences and the humanities, review articles, and selected abstracts from current literature appropriate to the subject. Preference will be given to manuscripts containing observational data.

The Gerontological Society, Inc. and the Editors accept no responsibility for the views and statements of the authors as published in their original communications.

INSTRUCTION TO CONTRIBUTORS

Lack of adherence to instructions may result in delay of publication.

1. Manuscripts should be addressed to the editorial offices, 660 South Kingshighway Blvd., St. Louis 10, Missouri.
2. Papers should rarely exceed twenty printed pages in length, including illustration. They must be typewritten, double spaced, on standard-size white paper 8½" x 11".
3. A condensed title for running page headline, not to exceed forty letters and spaces should be supplied.
4. A brief biographic sketch of the author should accompany all papers.
5. Tables are costly to print and should be used only when necessary to clarity. In such cases they should be as condensed as possible and typed on a separate sheet. Tabular matter in excess of 10 per cent of the cost of composition and printing of the manuscript is to be at the expense of the author.
6. Typed legends including the author's name should be clipped to each illustration. Each plate must be arranged by the author. Engraving charges in excess of 10 per cent of the cost of composition and printing of the manuscript are to be at the expense of the author. If illustrations are larger than manuscript sheet size, small prints, as well as the original drawings, should be submitted with the manuscript to facilitate mailing to reviewers. The reduction of figures desired should be clearly indicated on the margin of the drawing. Drawings should be in India ink on white paper and if background lines are used they should be blue. All lettering should be large enough to give 2 mm. letters in the final Journal reduction. Maximum plate size is 5¼" x 8" (if legends are to be included on the same page the length should be correspondingly less). Final single column plate width is 2¾".
7. Authors are requested to limit the use of footnotes.
8. Every paper should end with a brief summary in which the points established by the investigation are outlined.
9. References to periodical literature must be arranged alphabetically and given in order: name of author, title of article, name of periodical (abbreviated as in Fishbein, *Medical Writing*), volume number, inclusive pagination, and year. For books: name of author, title of book, publisher, city, and year. Example, for periodical literature: Gofman, J. W., Lindgren, F. T., Jones, H. B., Lyon, T. P., and Strisower, B.: Lipoproteins and Atherosclerosis. *J. Gerontol., 6:* 105-119, 1951. For books: Monroe, R. T. *Diseases in Old Age.* Harvard University Press, Cambridge, 1951.
10. Articles may be submitted to the Journal in a foreign language but if accepted must be translated at the responsibility and expense of the author.
11. Submission of a paper to this Journal is held to imply that it has not been published and is not to be published elsewhere (except as Society Proceedings) without permission from the JOURNAL OF GERONTOLOGY.

Subscription prices a year beginning with volume 5, 1950: In the United States, Canada, Mexico, Cuba, Central and South America, the JOURNAL OF GERONTOLOGY is $8.00; in other countries the Journal is $8.50 (the equivalent of $8.50 U. S. currency on the day of transfer). Single copies of the Journal are available at $2.00. Back issues (1946-1949) are $6.00 a volume plus 50¢ postage to foreign countries. Checks should be made payable to the JOURNAL OF GERONTOLOGY. New subscriptions and renewals are entered to begin with the first issue of the current volume. Four weeks' notice is required for change of address.

All communications and remittances relating to subscriptions, back volumes, advertising, and remittances for reprints, etc., may be directed to 10 North Howard St., Baltimore (1), Maryland, or to the office of publication, 660 South Kingshighway Blvd., St. Louis 10, Missouri.

Entered as second class matter at the postoffice of Baltimore, Maryland.
